² During public comment the Council will hear testimony related to final actions of the Council and pertinent agenda items. Persons who wish to speak must have a working microphone or telephone connection, and should use their GoToWebinar raised hand icon or send a chat message to the organizer that they wish to speak. Time constraints may limit individual speaking time as determined by the presiding officer.

³ Any oral or written statement shall include a brief description of the background and interests of the person testifying and the source and date of any specific information. Persons wishing to submit written testimony or information can do so by emailing it to gulfcouncil@gulfcouncil.org. All written comments will be posted on the Council's website for viewing by Council members and the public. **To help ensure that Council members have sufficient time to consider your written testimony, please submit your comments at least three business days prior to the start of the Council meeting.**

⁴ Oral or written communications provided to the Council are public documents. These communications will be made available to the public in their entirety and maintained by the Council as part of its permanent record. Further, knowingly and willfully submitting false information to the Council is a violation of Federal law.

⁵ Anyone wishing to use electronic visual aids during public testimony must provide staff with a copy of the material at least one hour before comment begins to allow for a virus scan of said material.
